1000 Hrs	BELAZ FACTORY EXPERIENCE (60 KMS) We invite you to visit the world-famous brand – the Belarusian automobile plant BELAZ. A place where up-to-date giants are born! You will travel along the facilities of the factory and personally see the process of assembling BELAZ mining dump trucks. You will be allowed to see the range of the mining equipment, climb the hugest dump track of the factory and take amazing pictures with its background
1400 Hrs	Lunch at a restaurant of your choice (direct payment)
1700 Hrs	NATIONAL LIBRARY & OBSERVATION DECK It feels like the world first learned about the word “rhombicuboctahedron” after the construction of the national library of Belarus. With 18 square and 8 triangular faces, this eccentric geometric shape has been turning heads since the library’s construction. It symbolizes the value of knowledge and the infinity of the perceptible world. At night the library is illuminated and shows various displays. Due to its unusual shape and bright illumination, the library has almost become one of the key attractions in Minsk. The open-air observation deck is located over 70 meters above the ground in the upper part of the repository. Visitors can take a panoramic elevator to it to enjoy amazing city views
