The Park is a lush green area and it's a good place to sit, rest, relax and see the bustling sights of the city.

	'Zenkov Cathedral' , is one of the most beautiful, magnificent, and architectural monuments of the city of Almaty with a height of 56 meters and is in the green Panfilov Park of Almaty. A. Zenkov had supervised the construction of this cathedral in the early 19th century and legend goes that it was built without a single nail. But unfortunately, it's not true. Also known as the Green Market, this market is your typical local market where you can purchase everything starting from meat to spices to fruits to even clothes and furniture. The key to shopping here is that you should have a flair for bargaining, and you can get everything at a very reasonable rate. You will be delighted to see the colourful atmosphere and the variety of goods available. Right next door is the famous Rakhat Chocolate shop. Rakhat which means pleasure in Kazakh is the oldest manufacturer of chocolates dating back to almost 70 years. Around 3500 workers work in basically 2 factories, one located in Almaty and one in Shymkent city.
