The Park is a lush green area and it's a good place to sit, rest, relax and see the bustling sights of the city. 'ZenkovCathedral' , is one of the most beautiful, magnificent and architectural monuments of the city of Almaty with a height of 56 meters and is located in the green Panfilov Park of Almaty. A. Zenkov had supervised the construction of this cathedral in the early 19th century and legend goes that it was built without a single nail. But unfortunately, it's not true.
